STEP 2: Creating a YouTube Channel

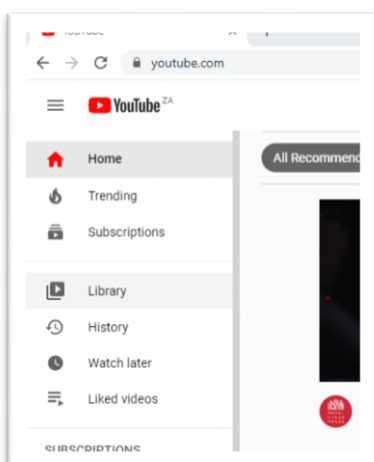

- 1) Sign in to your new YouTube Account or open your existing account: open your internet browser and add <https://youtube.com> in the address line. Open the page and then click on the SIGN IN button in the right hand corner of the page:

- 2) Enter the email address and password that was used to create your Google account.

Signing in opens up the YouTube Homepage:

If you haven't used **YouTube** before, you now need to create a **YouTube Channel**. Any action that requires a channel, such as uploading a video, etc. will now prompt you to do so.

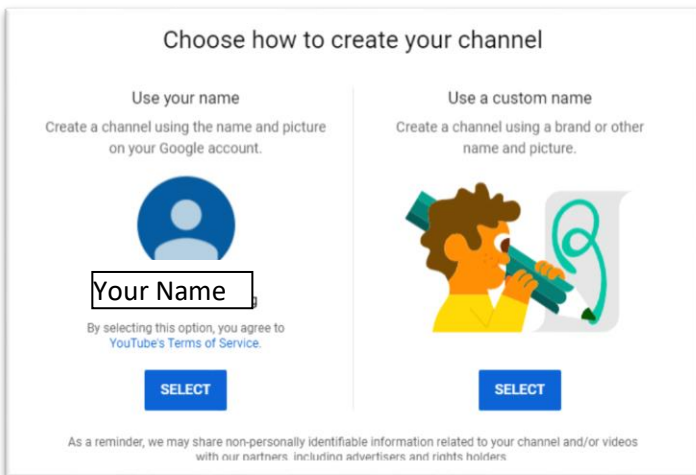

3) Clicking on the camera icon below may now prompt you to create a channel:

4) Click on Upload Video

5) Create a channel if required:

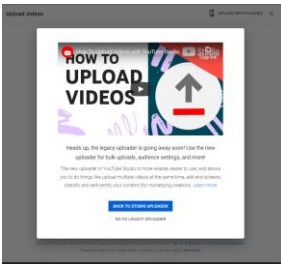

STEP 3: Upload your video to your YouTube Channel

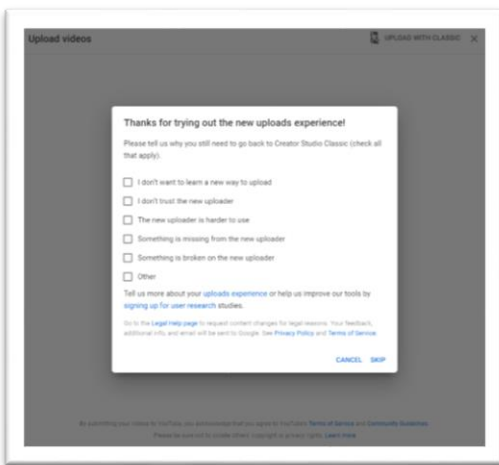

You are now ready to upload your video to your YouTube Channel. Before you proceed with uploading your video, please check if the following steps have been completed:

- Submit your entry ONLINE OR complete a copy of the hardcopy entry form. You will need a copy of this document in Pdf format.
- Pay your entry fees via EFT.
- Have a copy of the proof of payment in Pdf format ready.

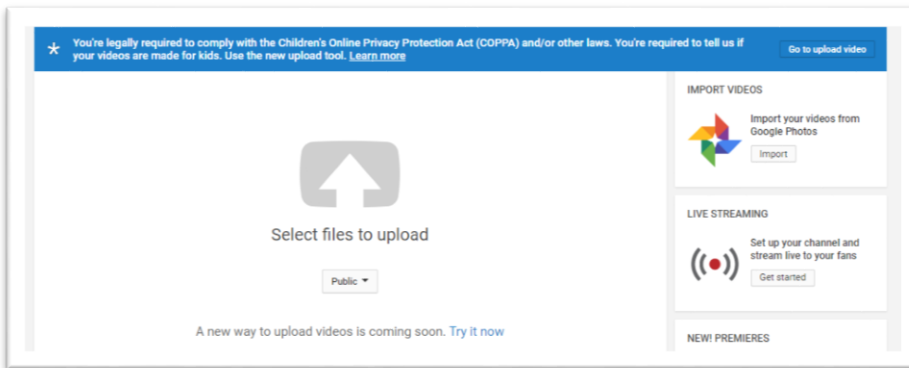

- 1) Once the channel has been created, you can now proceed with uploading the video by clicking on the camera icon in the right hand corner of the page.
- 2) If you are new to YouTube, you might also encounter a number of other steps:

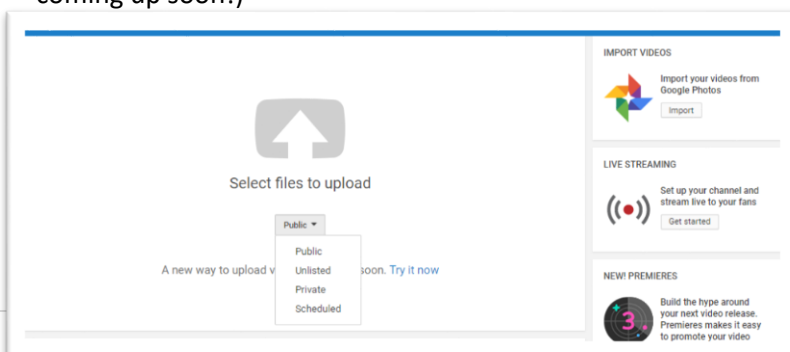

When you select the LEGACY UPLOADER, the following message will be displayed:

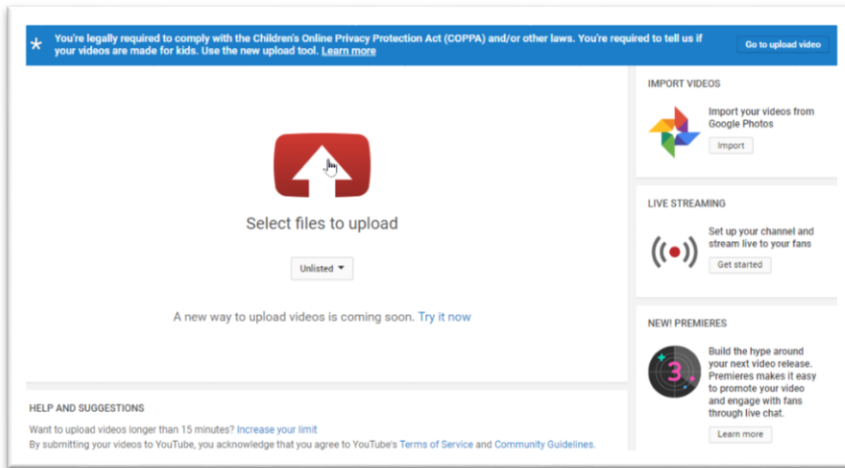

- 3) Click on SKIP. This will bring up the following page:

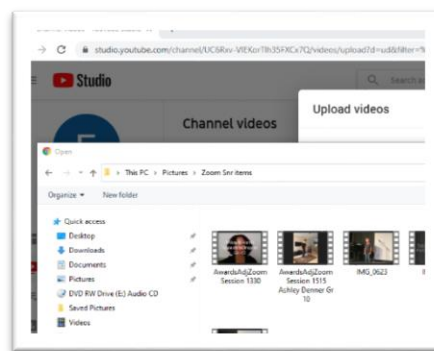

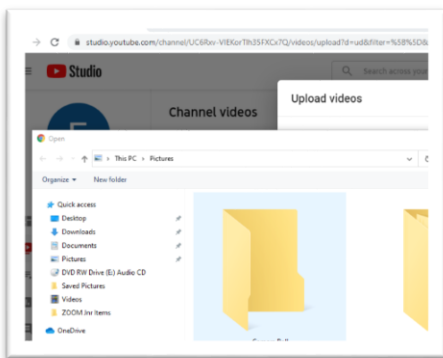

- 4) Click on the arrow next to the “Public” button in the middle of the page. This will open up a drop box with the following options: Public, Unlisted, Private and Scheduled.
- 5) Select the UNLISTED option. (This is IMPORTANT, however if you miss it here a next opportunity will be coming up soon!)

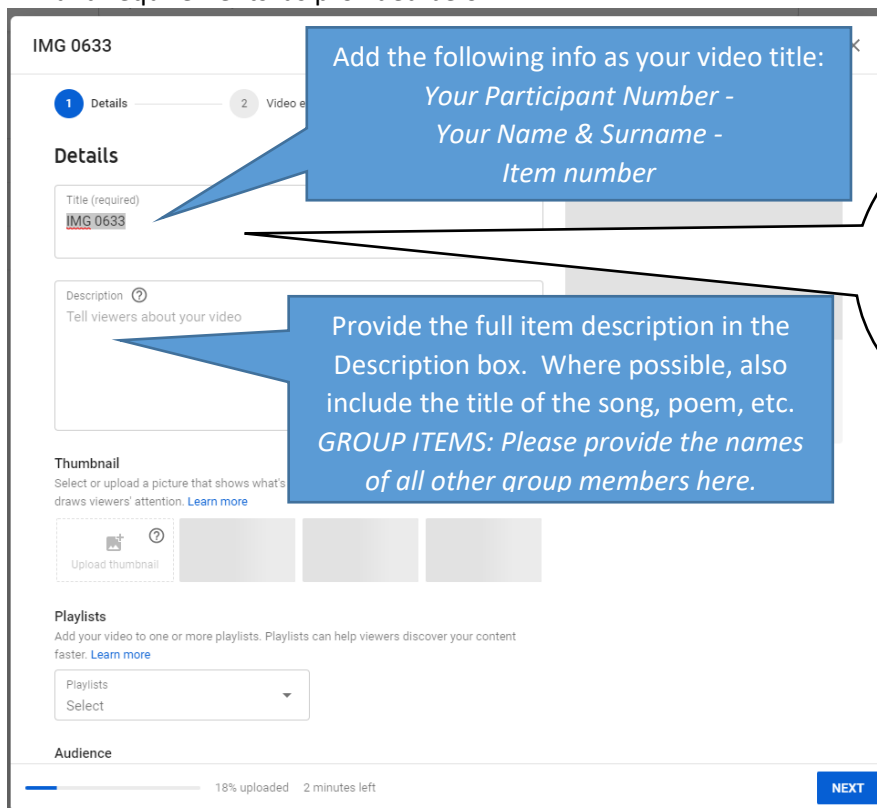

6) Click on “Select files to upload”.

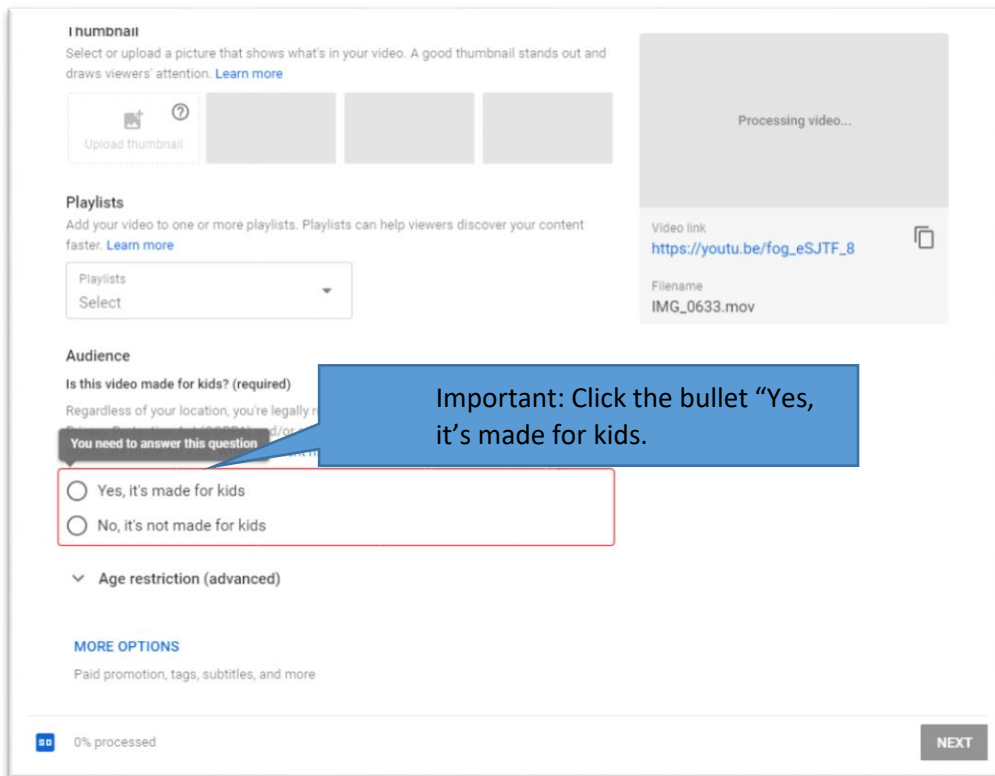

This will now take you to your computer where you have to locate the folder with your videos.

7) Select the file that you want to upload and complete the details as required. Please note the guidelines and requirements as provided below:

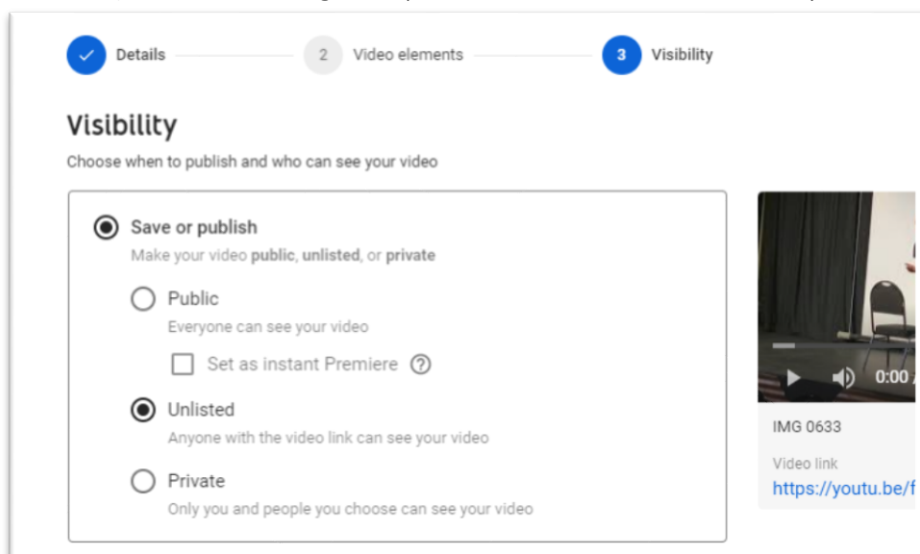

Ignore the *Thumbnail* and *Playlist* and scroll down to the *Audience* section and select “Yes, it is made for kids”

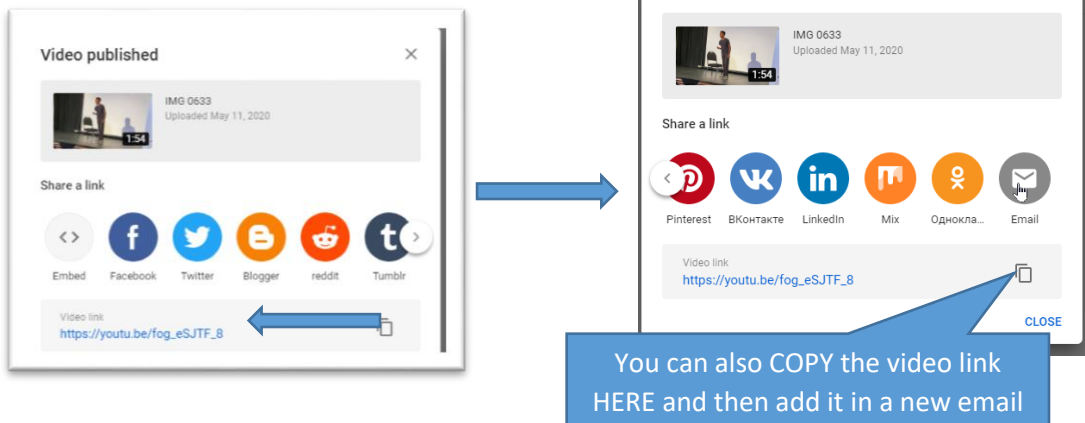

Please ignore the “Video elements” section.

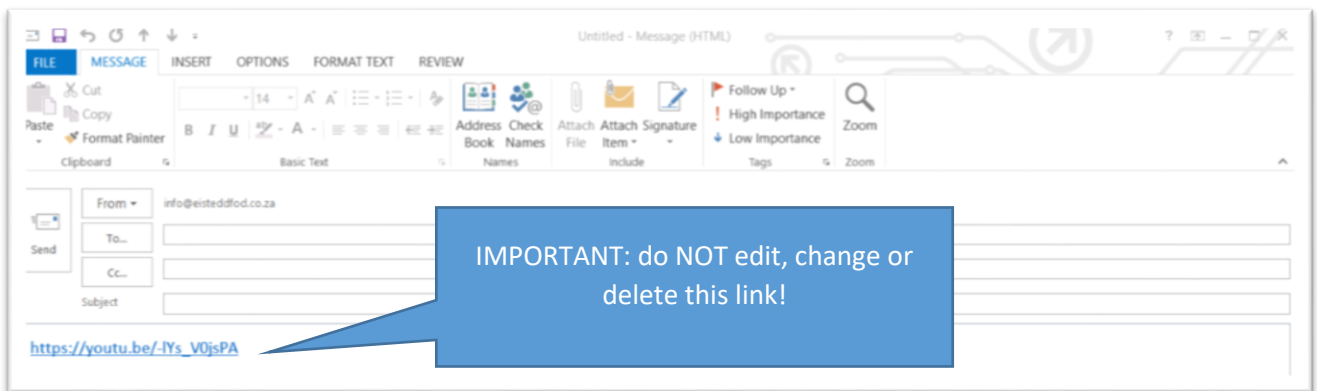

8) If you haven't selected the visibility option before, you can do so now by selecting the UNLISTED bullet below. (Without selecting this option, we will not be able to view your video).

9) You will receive a **Video published** message with the following options as soon as uploading has been completed. You have now reached the final steps!

10) Click on the “>” to the right (next to the Tumblr icon) to bring the EMAIL icon into the view. Next click on the EMAIL icon to display a blank email message that contains the link to your video.

STEP 4: Submit your video link

11) Add the following information to the blank email that contains your video link:

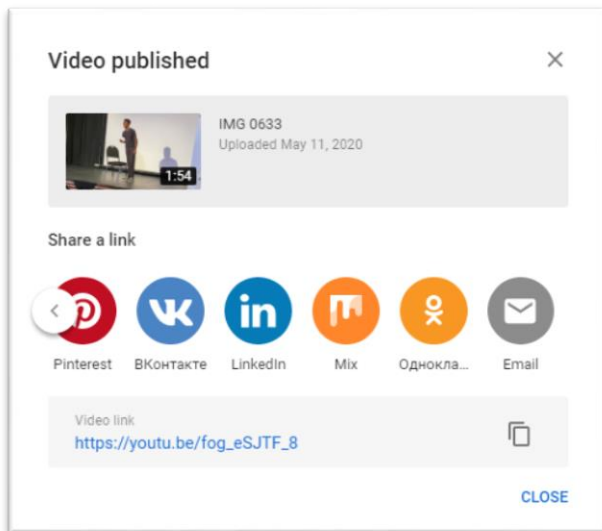

- In the “To” address add entry@eisteddfod.co.za
- In the “Subject line” add the following information in the format:

[Number] – [Name] - [Surname] – [Item Number]

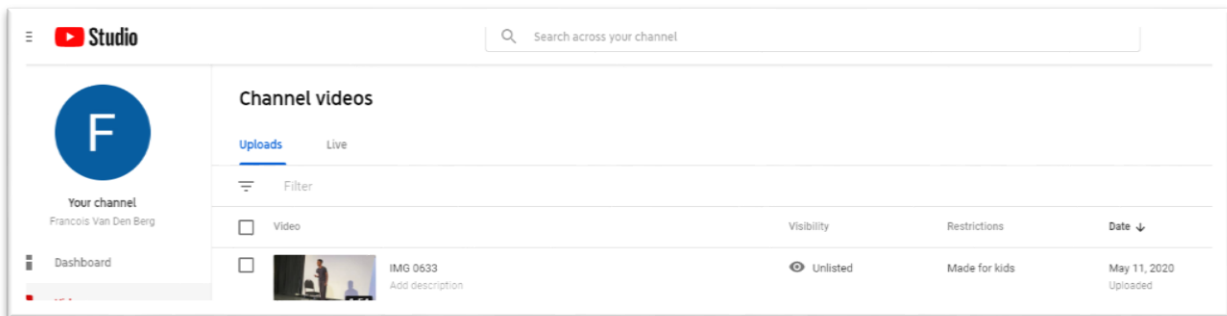

- Unique participant number -
- Your Name & Surname -
- Your Item Number
- FOR LARGE GROUP ENTRIES ONLY:
 - Name of the Group & Name of School / Studio & Item number

12) Click on SEND to complete the process (for peace of mind, please activate the Delivery/Read requests on the OPTION button above. NB: This will eliminate the need to check if the mail was received or not!)

13) Finally click on the close button.

Your video is now uploaded to your Channel. Do NOT edit, change, move or remove this video. (You may still view or share it) If you do make ANY changes, the NEA will NOT be able to access or adjudicate your video with the link that you have emailed to entry@eisteddfod.co.za.

How to send your video to YouTube from your Smartphone

You need a Google Account to sign into YouTube. A Google Account works across all Google products (like Gmail, Maps, YouTube, etc.). If you have used any of these products before, you already have a Google Account.

To sign in, enter the email address you used for those products. If you don't have a Google Account, you are going to create one now.

Here are a few important things to remember about Google Accounts and YouTube:

- You sign into YouTube with your Google Account. To sign in to YouTube, enter your Google Account email and password. After signing up for YouTube, signing in to your Google account on another Google service will automatically sign you in to YouTube.
- Deleting your Google Account will delete your YouTube data, including all videos, comments, and subscriptions.
